

AutismNetwork@live.com is a free community bulletin board* that allows families to connect with peers and be well-informed about services, news, advocacy, education, resources, newsletters, conferences, Q&A and healthcare updates pertaining to Autism Spectrum Disorders and related disabilities, such as, Asperger's Disorder, PDD-NOS (Pervasive Development Disorder-Not Otherwise Specified), Down Syndrome, language impairments, developmental disabilities, and traumatic brain injury.

The Autism Network is simply a collaboration of many different organizations and individuals. We receive and send information in the Florida counties of Sarasota, Charlotte and Manatee; DeSoto, Lee, and Collier. While we do have a heavy concentration on autism and are primarily focused on the Sarasota, Bradenton and Port Charlotte areas, we do try to be as inclusive as possible.

If you would like to join the e-mail list, please send an email with your request to the message board operator, Margaret Azouz, at AutismNetwork@live.com. Thank you.

**Founded by Nancy Basile in 2007 and currently operated by Margaret Azouz, 2009-present.*
